- 11:50 **One Truckee River Issue Identification (Lynda, Kristi, Barbara)**
In this exercise we will break up into three groups and assess Truckee River opportunities and threats and identify key issues that will need to be addressed in the management plan. This input and reflection will be considered as we prepare final goals for this planning effort and be addressed in preparation of a scope of work for the Truckee River Management Plan.
Considering the draft vision & goals for One Truckee River answer the following questions:
- *What are the current threats to the Truckee River that challenge implementation of the One Truckee River vision and goals?*
 - *What opportunities exist to help support One Truckee River vision & goals?*
 - *Are there other factors to consider?*
 - *What issues come to mind as a result of this exercise?*
- 12:35 **Emerging Issues (Barbara)**
- Small group reports and collation of ideas and issues
 - Immediate reactions re: draft goals and vision?
 - Next steps?
- 1:05 **One Truckee River Management Plan (Lynda, Barbara)**
