

Action Item	Rankings				Total Participants
	1	2	3	4	
Goal 1					
1. Identify location of all high-volume storm drains and the largest storm water contributions to the Truckee River.	11	5	2	0	18
2. Establish necessary testing procedures for assessing quality of water coming out of storm drains and identify the areas that are the main contributors of pollution to the river.	14	7	0	0	21
3. Implement Best Management Practices to improve quality of water flowing into the Truckee River from contributing watershed areas.	9	10	0	0	19
4. Develop Truckee River Watershed Management Plan through stakeholder coordination and consensus process.	12	5	1	0	18
5. Interface with emerging Washoe County Fire Adapted Communities Network to integrate fuels management (pre and post fire) in the Wildland Urban Interface of the Truckee River watershed.	2	7	8	1	18
6. Establish permanent photo points on the river to monitor debris, water levels and human impact.	2	9	2	5	18
7. Ensure adequate public restrooms along the Truckee River. Initiate a pilot study of temporary restroom facilities in priority areas along the river corridor.	9	7	3	0	19
8. Review existing development codes among jurisdictions, and provide guidance and direction for low impact development (LID) and river enhancement.	6	7	4	2	19
Goal 2					
1. Work with first responder teams to identify existing and desirable water access points.	11	6	2	0	19
2. Fund and install mileage markers along the Truckee River trail.	9	7	1	2	19
3. Make public access a condition of approval for new development fronting the Truckee River.	12	2	4	2	20

4. Work with local Community Wellness providers to implement a “Healthy River, Healthy People” campaign that will encourage the wellbeing of the Truckee River as well as the residents that live, work and play along it.	9	6	3	0	18
Goal 3					
1. Establish and promote a comprehensive events calendar that features all relevant activities, events, and entertainment associated with the river	6	5	7	0	18
2. Create an opportunity or venue for the community to share river stories and images relative to our natural and cultural history.	0	11	4	3	18
3. Work with existing education partners to compile and assess existing Truckee River-related curriculum and educational programs. Compile existing resources and identify those that are in alignment with Washoe County curriculum requirements.	11	7	2	1	21
4. Identify and provide access opportunities to “outdoor classrooms” where students can learn along the river.	6	6	7	2	21
5. Coordinate a speaker’s bureau to hold educational river-based events.	2	7	10	0	19
6. Continue to engage community decision makers and partners about issues related to the river.	15	5	1	0	21
7. Coordinate a stewardship pledge for people to publicly commit to being good stewards to the river.	0	2	10	4	16
8. Educate the community on Leave No Trace principles while in and along the river corridor.	5	12	4	0	21
9. Coordinate and promote stewardship activities for groups such as high-school environmental clubs or community service organizations.	2	11	7	0	21
10. Coordinate stewardship activities throughout the river corridor to maximize impact.	3	13	4	0	20
Goal 4					
1. Assess existing groups and structures for possible entities to house the management of the OTR Plan and develop recommendations.	15	1	3	0	19

2. Identify the statutory or code changes needed to strengthen the OTR.	4	11	3	1	19
3. Confirm the endorsement, adoption and implementation of the OTR Plan with the local jurisdictions and other partners.	9	4	2	0	18
4. Create metrics for measuring success and achievements of the plan.	14	3	1	0	18
5. Create a base line GIS map specific to the Truckee River	10	6	0	0	16
6. Conduct an Annual One Truckee River Initiative Forum.	5	8	4	1	18
