

2018 ACTION ITEMS

The One Truckee River Partnership Council decided on four priority action areas for 2018. Members of the council, along with other individuals chosen because of their expertise, have made up four different teams, one each to address the different action areas. Please fill out the information below according to your action area and specific topics to take place under that area. It is likely there will be multiple specific topics per action area.

Action Area (ex: Signage Plan & River Safety): _____

Specific Topic Under Action Area: _____

Steps:

Step One _____

Party Responsible (including contact info) _____ **Projected Completion Date** _____

Step Two _____

Party Responsible (including contact info) _____ **Projected Completion Date** _____

Step Three _____

Party Responsible (including contact info) _____ **Projected Completion Date** _____

Continued Steps on Other Side (If Needed)

Notes: _____

This group commits to meet on the following 2018 dates: _____

Each group will be expected to provide final updates in December 2018 (specific date TBD).
